Warning Statement: The loan fund is launched specifically for the purpose of raising money for the acquisition of part of the issued share capital of Swindon Town Football Company Limited. Investing in a football club is a risky business and, accordingly, the Trust does not expect to generate sufficient funds to redeem loans with any degree of certainty. The terms of the loan fund provide repayment of the loans only in very limited circumstances. Therefore, anyone lending money to the Trust under the loan fund should be aware that they are unlikely to see repayment of their loan in the short or medium term, if at all. For these reasons do not lend money to the Trust that you cannot afford to lose. If you are in any doubt as to the terms and conditions of the Loan Fund, please consult a solicitor, accountant or other professional advisor.
